First Aid & Emergency Release

In the event of a minor accident involving your child, qualified trained personnel will administer necessary and immediate first aid. We will cleanse and bandage a small wound, apply ice and/or provide warmth and rest where appropriate.

In the event of a more serious accident, first aid will be administered as necessary. 911 Emergency Services will be called if deemed necessary and the parents will be immediately notified.

Sunscreen & Insect Repellent Release

The Imagine Nation Museum requires written permission to apply sunscreen or insect repellent to your child when requested. Please check those for which you give permission.

____Sunscreen

____Insect Repellent

Please sign, date and return this form to the museum staff office if you would like your child to receive one or both types of these applications while attending the camp.

Parents must provide the lotion or repellent in a container clearly marked with your child's name. Please note that bottles may not contain antibiotic or prescription medications.
